

Jousto

(AFO) Ankle Foot Orthosis

Order information

Order Jousto by shoe size and specify right or left leg. Also specify whether the orthosis is for a man or a woman. Jousto colors are black and beige. Jousto is usually delivered with a default color and a calf band with you can see on Jousto tables below. You can change the default color or the calf band size to a different size when you order. Look available calf band sizes on the nethermost table. In special cases if an ankle leans accentuated outwards because of over supination, Jousto AFO can be equipped with an ankle supporting strap. The ankle supporting strap stabilizes the ankle on sideway.
